

Press Release

STATEMENT OF CARLO GAVAZZI ON CORONAVIRUS (COVID-19)

Steinhausen, March 27th, 2020

Carlo Gavazzi Automation, Business Unit of the Swiss automation group Carlo Gavazzi, is monitoring the global development of Covid-19 daily.

In this evolving situation, Carlo Gavazzi Automation companies and functions in Europe, the Americas, and Asia & Pacific, are operating in accordance with the regulations issued by local governments to contain the spread of Covid-19.

The safety and health of all Carlo Gavazzi Automation employees, stakeholders - suppliers, customers, and partners – and global communities is our highest priority and we will continue to adapt our response to the evolution of the pandemic.

Carlo Gavazzi Automation remains operational around the world and is committed to maintaining its business continuity, to fully support its customers' businesses.

We are leveraging our global footprint of manufacturing and warehouse facilities to ensure the best possible service, support, and supply of our products and services around the world.

Should you have any questions for your current and future needs, please [contact](#) your local Carlo Gavazzi office in your country.
